ACQUISITION OF BITCOIN

Shareholders are referred to the previous announcements released by the Company, the last of which was published on 10 November 2025, regarding the Group's acquisitions of Bitcoin (or BTC) in terms of the Group's Bitcoin Treasury Strategy.

Further to the announcements, shareholders are advised that on 9 February 2026, the Group, through its wholly-owned subsidiary Africa Bitcoin Strategies Proprietary Limited, acquired a further 1.3554 BTC for an aggregate cash consideration of R1,510,000 at an average price of R1,114,062 per BTC (inclusive of fees and expenses). This acquisition was funded through a new R1,500,000 debt facility obtained from an independent third-party bank and available cash on hand.

Following this acquisition, the Group now holds 4.5504 BTC in aggregate, with an aggregate acquisition value of approximately R7,315,000 reflecting an average acquisition price of approximately R1,607,549 per BTC (inclusive of fees and expenses).

BTC YIELD

The Company monitors "BTC Yield", a non-IFRS performance metric that measures the percentage change in Sats-Per-Share ("SPS") over a given reporting period. SPS reflects the number of satoshis of Bitcoin economically attributable to each ordinary share in issue. This metric is provided for contextual and comparative purposes only and does not constitute a forecast, target, or guarantee of future performance.

Date	Sats per ABC ordinary share	BTC Yield
19 February 2025	9.2	100%
3 November 2025	17.7	93%
5 November 2025	22.09	140%
7 November 2025	28.10	206%
9 February 2026	40.03	335%

STRATEGIC POSITION

In line with the Group's Bitcoin Treasury Strategy, the Company intends to continue accumulating and holding BTC as a long-term store of value and to expand shareholders' economic exposure to the upside potential of Bitcoin over time.

The information contained in this announcement is the responsibility of the directors of ABC and has not been reviewed or reported on by an external auditor.
